# Data Analyst

## EDUCATION

---

### **[Watkins Mill Highschool]**

[2016-2020]

I passed all of my honors classes and a few of my AP classes with a score of four on the exams, and my official GPA was 3.8.

### **[Montgomery College]**

[2023-2025]

Still a sophomore at Montgomery College, where I have recently majored in information systems and passed the bulk of my classes with above-average grades.

## WORK EXPERIENCE

---

### **Uber [Uber Driver]**

[2023-2024]

Utilized the Uber app to manage trip information, accept requests, and explore routes when transporting people or delivering food and supplies.

### **[Camp Sunshine] [Costumer service]**

[2021-2022]

As the initial point of contact between a business and its customers, a representative makes sure that each exchange conveys professionalism and consideration.
